#### **Effective 5/1/2025**

P: 888-311-7632 www.ramsellcorp.com

F: 800-848-4241

Version 1.2025

Clients on prescriptions other than antiretrovirals or treatments for opportunistic infections require documentation on file at their physicians' office stating that 'The disorder is related to or exacerbated by HIV/AIDS'

Generic Name Brand Name Restrictions

#### **Program Dispensing Policies**

- 1. Drugs marked with "•" are to be dispensed with a minimum 28 day supply.
- 2. Drugs marked with "^" require a prior authorization, ADAP will request additional information (client and drug specific) before considering the authorization.
- 3. Refills may be obtained after 70% of the previously dispensed days-supply has been used.
- 4. Prior authorization is required when quantity exceeds 120 for DEA class II and when qty exceeds 240 for DEA III drugs.
- 5. ADAP mandates the use of generic products whenever possible in accordance with applicable law or regulations.
- 6. ADAP mandates the use of DHHS guidelines for dispensing of Antiretroviral Agents in HIV-1 infected patients.

PLEASE NOTE: There may be some SPECIFIC DOSE FORMS of products on this formulary that may NOT BE COVERED. You can verify drug coverage by dialing the toll free Ramsell number 1-888-311-7632
